

Be a hero. Donate your birthday.

“Donate” your Birthday to Donate Life Connecticut through a Facebook Fundraiser campaign. Ask friends and family to help you celebrate your birthday by donating to DLC in your honor.

It’s easy! Here’s how:

On your Facebook Page, click on the small down facing arrow on the far right next to the help button. On your Smartphone, click on your Menu button on the far right.

On the dropdown menu, click on “Create Fundraiser”. On your Smartphone, you may have to click “See More” for the “Fundraisers” option.

Click “Get Started” or “Create a Fundraiser”.

Click on “Nonprofits” and enter “Donate Life Connecticut” in the search box.

Now just follow the prompts.

You can decide how much you would like your fundraising goal to be and how long you would like to keep your campaign open.

You can say a few personal words about why you are doing this or use the generic message.

Facebook charges no fees and all donations go directly to Donate Life Connecticut.
